Reference specification sheet and operation diagrams for model **HOPSTAR-H027**:

Technical Parameters

Material	Silicone + ABS
Dimensions	3.52" × 2.11" × 2.05" (89.5 × 53.5 × 52 mm)
Function	9-frequency sucking
Net Weight	108.7g
Waterproof Rating	IPX7 WATERPROOF
Power Source	USB Magnetic Charging
Charging Time	2 Hours (2h)
Working Time	215 Minutes

Operating Instructions

- **Power On / Off:** **PRESS & HOLD** for 3 seconds to turn on/off.
- **Mode Switching:** **CLICK BUTTON** to switch between 9 different sucking frequencies.

USB Magnetic Charging

- Ensure the DC charging port is dry before connecting.
- Connect cable to the bottom charging point. Flashing light indicates charging; solid light indicates full charge.
- **PROHIBITION** Do not use while charging.
- Use original cable and 5V or less adapter.

Product Maintenance & Cleaning

- **Cleaning:** Wash with neutral detergent after each use.
- **Storage:** Keep in a cool, dry place.
- **Inspection:** Periodically inspect for damage; stop use if damaged.

 **Tip:** Proper cleaning with mild soap or toy cleaner preserves medical-grade silicone texture.

Safety Guidelines & Warnings

CRITICAL SAFETY NOTICES:

- **Adult Toy Only:** Minors are strictly prohibited (**18+ ONLY**).
- **Injury Prevention:** Do not use excessive force during use to avoid injury.
- **Discomfort:** If you feel uncomfortable, stop using immediately.
- **Lubrication:** Recommended to use with water-based lubricants to protect delicate skin.
- **Personal Item:** Do not share with others for hygiene and safety.
